PRINCIPAL'S REPORT

Mr David Gault

The end of Term 3 marks an important moment at Harvey Senior High School. Not only does it signal that we are now three quarters of the way through the school year, but it is also the time when we bid farewell to our Year 12 students. After 14 years of formal education, from kindergarten through to Year 12, their commitment and perseverance have brought them to this significant milestone.

As they prepare to leave following Friday's farewell assembly, our Year 12s will no doubt experience a mix of emotions. Yet, I am confident that each of them is ready to embrace the opportunities and challenges that lie ahead. On behalf of all staff at Harvey SHS, I extend our warmest wishes for their future success. We look forward to celebrating their journey and individual achievements more formally at the Graduation Ceremony next term.

AIEO'S

Kenny Wallam, Kayla Michael,

We are proud to introduce our new Aboriginal and Islander Education Officers (AIEOs) – Kenny Wallam, Kayla Michael, and Tarlesha McKenzie Clark-Winnard. Their role will be to support our Aboriginal students and families, strengthen cultural connections, assist with engagement and attendance, and work alongside staff to enhance learning and wellbeing across the school. They will also play a key part in coordinating important cultural events such as NAIDOC activities, and we look forward to the positive contribution they will make to our school community.

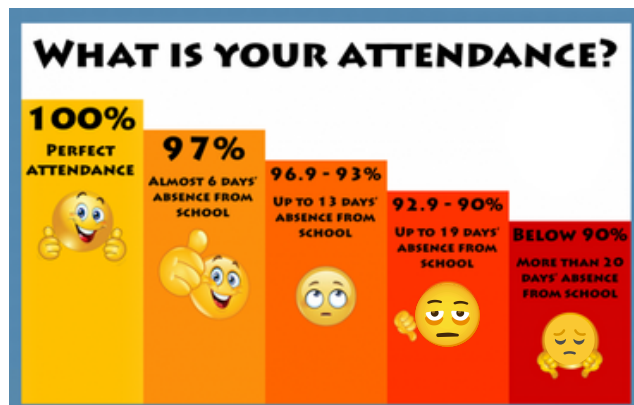

JAPANESE STUDENTS

We are delighted to once again welcome a delegation of staff and students from Moka City, Japan, for a three-day visit in Term 4. Our students are looking forward to reconnecting with friends made during last year's visit, as well as building new friendships with those joining us for the first time. This exchange provides a valuable opportunity for our students to deepen their understanding of another culture and broaden their perspectives of the world. As we did last year, we require local families to nominate to billet our Japanese students. If you can assist and would like one of our visiting students to join your family for their stay please contact Jenni Wilson, DOA Program Coordinator for the visit for more information and to register your interest. Please contact Jenni as soon as possible to allow enough time for coordination.

Just a little reminder....

Term 3 has been a full and rewarding one, highlighted by the many achievements of our students across a wide range of areas. As we head into the break, I look forward to welcoming everyone back for what promises to be another exciting and productive Term 4. Wishing you all a safe, enjoyable, and restful holiday.
