PRINCIPAL'S REPORT

Mr David Gault

Welcome to Harvey Senior High School for the new 2026, school year.

I cannot believe that we are at the end of Week 4 already. It has been an incredibly busy, but also smooth start to the school year. I really enjoyed reconnecting with our returning students and welcoming those joining our school community for the first time. A particularly big welcome goes to our new Year 7 students, who are beginning their secondary school journey with us. Starting high school is an important milestone, and we are very pleased you have chosen Harvey SHS. I would also like to warmly welcome all other new students and families to our school. It was great to meet many of you at our "Meet and Greet" function last week and we look forward to getting to know you better and working with you to support student success.

YEAR 7 INDUCTION DAY

At Harvey SHS we pride ourselves on being a school where students are known, valued and supported. Our size allows us to build strong relationships with students and families, and these connections underpin both student wellbeing and academic achievement.

There has been minimal staff change at the school which has added stability in maintaining and improving our programs and our systems and processes. Unfortunately, we bid farewell to our Manager Corporate Services (MCS), Kelly Servaas, as she takes up a promotional position at Busselton SHS, I would like to thank her sincerely for her dedication and service to the school. We warmly welcome our new MCS, Chelsea Turner joining us from Australind SHS, and I am looking forward to working with her into the future. Welcome also to our new School Nurse, Penny Melville, Education Assistants, Staranise Brown and Kathy Wilshusen and Canteen Supervisor, Julie Kent.

Good Standing Policy

This year we are continuing to strengthen our expectations around behaviour, engagement and attendance through our Good Standing Policy. Students who demonstrate positive behaviour, respect for others, and consistent engagement in learning will maintain Good Standing and be eligible to participate in school events, excursions, reward activities and special programs. The policy is designed as a framework to help students understand expectations and develop the habits that lead to success in both school and life.

Parents & Citizens Association (P&C)

Our P&C AGM will be held on Tuesday 25 March at 4:15 pm in the Staff Room. We strongly encourage parents and caregivers to attend. The P&C supports the school through fundraising and contributions towards resources and activities, helping ensure opportunities remain accessible to all students.

Uniform Updates

This year we are introducing new school and sports shirts to modernise our uniform and strengthen school pride. Students will be able to purchase and wear the new items as they become available. We will be phasing the new school shirts in over time, and our current garments will always be accepted as “school uniform”.

In closing, welcome once again to the new school year and thank you for your continued support of Harvey Senior High School. I look forward to a positive and successful year ahead for all students and families.

Regards

David Gault
